

Announcing NEW 2007 Pricing

For nearly eight decades, Coxreels has manufactured the highest quality hose, cord and cable reels with extraordinary efficiency. We continually strive to convert that efficiency into extra value for our customers, ensuring competitive pricing for our superior quality hose reels. However, current market forces and subsequent price increases from our suppliers have forced us to adjust our pricing for 2007. Please note that pricing has slightly increased on some models, while others have remained unchanged. If you have not already received new pricing via mail, please ask your Customer Service Representative to send you the new 2007 pricing. Coxreels is always ***your reel source*** for state of the art hose, cord and cable reels. A Customer Service Representative will be with you shortly, please continue to hold. Coxreels wishes you and yours a happy holiday!

Announcing EZ-Blue

EZ-Coil[®], the industry standard safety reel, is now a top selling reel worldwide. Since it's inception, EZ-Coil[®] has been painted "safety yellow", but because Coxreels are known for the lustrous blue CPC[™] proprietary powder coat finish, **now our star performer EZ-Coil[®] will also be painted standard Coxreels blue**, with identifying EZ-Coil[®] labeling, and an updated EZ-Coil[®] logo to differentiate it from the standard reel. ***Effective January 1st, 2007, we will be rolling out EZ-Coil[®] Blue!*** When your next EZ-Coil[®] order arrives painted in blue, simply look for the EZ-Coil[®] logo and rest assured that you are in possession of the industry's safest reel, made by the industry's best reel manufacturer. ***So be safe. Be blue! And thank you for ordering Coxreels!*** For more information on Coxreels' products, visit us at www.coxreels.com. Please continue to hold and one of our Customer Service professionals will help you momentarily. Coxreels wishes you a safe and wonderful holiday season!

Announcing Coxreels 2006 Year-End Manufacturing Inventory Shutdown

Our customary year-end inventory shutdown will be from December 22 to January 2nd. Thursday December 21st, 2006 will be our last shipping and receiving day until January 2nd, 2007. Please be advised of these important dates, and place your reel orders accordingly. The office will remain open throughout the inventory process, and you may continue to place orders and speak to a Customer Service Representative. Again, Thursday December 21st, 2006 will be our last shipping and receiving day until January 2nd, 2007. Ask our Customer Service Representative for additional shipping information. Please continue to hold for an experienced Customer Service Representative. Have a wonderful holiday, and a great 2007!
